Subject: Memo on Synergy hearing of September 21, 2021 - Procedure
Attachments: Survey Monkey Link.pdf

To the Parties:

The Commission has still not received virtual contact information in the form of the Survey Monkey form found in the attached document from attorneys for the Intervenors in this case. If you have not submitted the form, please do so. Mr. Randy Erskine has been on annual leave this week, but is expected back Monday.

Are all parties agreeable to putting up their direct and rebuttal or direct and surrebuttal testimonies at the same time during the hearing (where applicable)? I did not see this addressed in any e-mails.

Also, please be prepared to argue the Motion to Strike at the call of the Chairman at the beginning of the hearing on Tuesday, September 21, 2021.

Lastly, I am soliciting suggestions for dates for submission of proposed orders and/or post-hearing briefs.

Thank you for your consideration in these matters.

Regards,

David Butlér
